

I am writing regarding the Telephone Consumer Protection Act, Docket 02-278. I am asking that the FCC keep the law in tact in NJ. I believe that we have the right as a consumer not to be harassed at home with all of the telemarketer calls. I personally have signed up for the "Do Not Call List" and have seen a dramatic positive lessening of disrupting calls to my home. Leave our NJ law alone so that we can continue to enjoy the peace and quiet in our homes. Thank you for your time. Sincerely, Maureen Rust
